

GINGERBREAD HOUSES AND *Cocktails for a Cause*

On November 30, The Rowan Center community will gather at the Inn at Longshore in Westport for the return of our highly anticipated and much-loved Gingerbread Houses and Cocktails for a Cause event. We are inviting our dearest friends and supporters to join us in raising funds to educate and care for the children and young adults in our communities. Your critical support will provide funding for youth mental health care, curriculum and targeted programs to protect our students, and initiatives to fight disturbing trends like sex trafficking in our area. We are so grateful to partners like you—we could not do this important but difficult work without you.

SPONSORSHIP IMPACT

- \$20,000 Will provide in-person counseling hours with a state-certified Rowan Center counselor to a local high school for an academic year
- \$10,000 Will provide educational programs based on age-appropriate for 500 children
- \$5,000 Will provide 1 year of long term therapy for an insured young adult
- \$2,500 Provides crisis counseling for five teenagers/young adults

Last year, The Rowan Center:

- Responded to over 675 cases of sexual violence
- Conducted 1200+ counseling sessions
- Provided prevention education to over 16,000 people (mostly children)
- Had 20 disclosures of abuse by children while educating in schools
- Accompanied 50+ victims to hospital ER visits, and had more than 20 police and court accompaniments
- Brought together over 225 at our annual fundraiser and raised almost \$200,000 to support our mission

Will you partner with us on Gingerbread Houses and Cocktails for a Cause and help us fund essential sexual violence prevention education and mental health support for children and youth in our community? With your support, we can meet and maybe even surpass our Gingerbread revenue goal in 2023!

For additional information, please contact Sharon Walker Epps at swalkerepps@therowancenter.org.

Sincerely,
Mary Forman Flynn, CEO
